4. Guidelines for remuneration of the management

The Board's declaration for remuneration of the senior managers is attached to this notice.

Pursuant to Section 6-16a of the PLCA, the Board proposes the following resolutions:

(a) Advisory resolution of management remuneration policy

The Annual General Meeting acknowledges the statement on executive remuneration, conf. Section 6-16a of the PLCA, as presented by the Board to the Annual General Meeting. In case the Board in any new agreement valid in 2017 departs from the guidelines for 2017, the reason shall be stated in the minutes of the relevant Board meeting.

(b) Binding resolution of management remuneration policy

The Annual General Meeting refers to its resolution on item 5 on the agenda of the instant meeting. Any other share-based remuneration programme for the management must be presented for consideration at a general meeting.

5. 2016 Subscription rights incentive plan

The Annual General Meeting on 12 May 2015 resolved to renew previous resolutions providing for the grant of independent subscription rights as part of the Company's incentive programme. A new subscription rights plan is proposed for the coming one-year period. Consistent with past practice, the former plan is closed each time a new plan is implemented, meaning that no further subscription rights will be granted under these former plans.

Independent subscription rights cannot be exercised beyond five years from the date of the resolution by the general meeting. In order for the Company to continue with a consistent life span of minimum four years and consistent vesting schedules on future grants, the Board proposes the adoption of a new subscription rights programme for the coming one-year period. The Board proposes that the maximum number of independent subscription rights that may be granted under the 2016 program shall be limited to 10 (ten) per cent of the registered number of shares in the Company. The grants are also limited to provide that the number of issued and outstanding subscription rights under all of the Company's subscription right programs shall not exceed 10 (ten) per cent of the registered number of shares in the Company at any given time.

The Board proposes that the Annual General Meeting passes a resolution for the issuance of subscription rights to employees and individual contractors in the Company and its subsidiaries and affiliates.

The Board considers that incentive subscription rights contributes to retention and motivation of employees and individual contractors by allowing them to share the rewards resulting from their efforts.

Proposal for resolution by the Annual General Meeting:

The Annual General Meeting resolves a new 2016 Subscription Rights Incentive Plan, whereby the Company may issue independent subscription rights to employees of IDEX ASA and its subsidiaries and affiliated companies (hereinafter collectively referred to as "the Company"), and to individual contractors performing similar work.

For the avoidance of doubt, the foregoing includes grants of subscription rights to (i) employees of and individual consultants to IDEX America Inc., a wholly owned subsidiary of the Company duly organized and existing under the laws of the State of Delaware and/or (ii) other employees or individual consultants within the IDEX Group of Companies who are US citizens, US residents within the meaning of Section 7701 of the U.S. Internal Revenue Code of 1986, as amended, and US non-residents who accrue benefits under the 2015 Subscription Rights Incentive Plan during a period of US employment.

Each subscription right shall entitle the holder to demand issue of one share in the Company. In the event the Company's share capital or number of shares is changed by way of a capitalization issue, stock split, stock consolidation etc. the maximum number of subscription rights, and the consideration for the shares to be issued in the Company upon exercise of the subscription rights, shall be adjusted accordingly and rounded downwards to the nearest whole number.

The number of subscription rights which may be issued shall be a minimum of one subscription right and a maximum of 53,192,191 subscription rights; limited, however, so that the number of issued and outstanding subscription rights under all of the Company's subscription right programs shall not exceed 10 (ten) per cent of the registered number of shares in the Company at any given time.

The subscription rights must be subscribed for by latest the day immediately preceding the 2017 Annual General Meeting.

The subscription rights will be granted for no consideration.

The subscription rights shall be non-assignable otherwise than by will or by the laws of descent and distribution.

The vesting schedule for the subscription rights shall be 25 per cent each year beginning one year from the date of grant of the subscription rights. The Board may decide to establish an accelerated vesting schedule, if deemed appropriate.

Except as otherwise expressly determined by the Board, in the event of a Change of Control, subscription rights shall accelerate and immediately become 100 per cent vested as of the date of the consummation of the Change of Control. For the purpose of this paragraph, Change of Control shall mean the occurrence of any of the following events: (i) Any acquisition, sale or disposition of stock or assets of the Company or merger or other form of consolidation resulting in a change of ownership of all or substantially all of the Company's assets, (ii) any legal person directly or indirectly becoming the beneficial owner of securities of the Company representing 50 per cent or more of the combined voting power of the Company's then-outstanding securities; or (iii) the complete liquidation of the Company pursuant to a plan approved by the shareholders of the Company.

The Board will establish the further rules and procedures in regard to vesting and exercise in cases of resignation or other termination of employment or contract, including subsequent time frames to allow completion of exercise after termination.

In connection with the issuance of subscription rights, and the exercise of any of the subscription rights and the resulting share capital increase in the Company, the existing shareholders are waiving their preferential right to subscribe for subscription rights or shares, as the case may be, according to the PLCA.

As consideration for the shares to be issued in the Company upon exercise of the subscription rights hereunder, the holders of the subscription rights shall pay to the Company a sum per share, which shall equal the greater of (i) the average closing price of the Company's share reported by Oslo Børs over ten trading days immediately preceding the date of grant of the subscription rights, and (ii) the closing price of the Company's share reported by Oslo Børs on the trading day immediately preceding the date of grant of the subscription rights. Notwithstanding the foregoing, if the subscription right holder is an owner of 10% or more of the Company's shares, in the case of grant which is an Incentive Stock Option under the US Internal Revenue Code, the exercise price shall be not less than 110% of the greater of (i) the average closing price of the Company's share reported by Oslo Børs over ten trading days immediately preceding the date of grant of the subscription rights and (ii) the closing price of the Company's share reported by Oslo Børs on the trading day immediately preceding the date of grant of the subscription rights.

No subscription rights may be exercised beyond the 5-year anniversary of the date of this resolution. In connection with the issuance of subscription rights, the Company may provide terms and conditions for exercise, as well as imposing restrictions on the sale and transfer of shares issued upon exercise of the subscription rights.

Any shares that are issued by the Company under the Subscription Rights Plan shall carry right to dividends declared subsequent to the subscriber having paid the subscription price and the associated share capital increase having been registered in the Register of Business Enterprises. All other shareholder rights associated with these shares, hereunder those referenced in § 11-12 (2) (9) of the PLCA, shall attach from the date of payment of the exercise price.

6. Authorizations to the Board to issue new shares

The Annual General Meeting on 12 May 2015 authorized the Board of the Company to increase the Company's share capital by issuance of new shares in connection with private placements and rights issues. The authorizations expire on the date of the 2016 Annual General Meeting.

Generally, as the Company is working to further develop its business operations it is necessary that the Board is able to commit transactions with potential investors on a short notice. The required 21-day notice for a general meeting may delay this process.

The Board proposes that the authorizations shall be renewed for a one-year period.

The Board proposes that the board authorization be maximized to 10 percent of the Company's registered share capital at the time of this authorization.

By reason of the above, the Board proposes the adoption of the following separate authorizations to the Board to issue shares:

(a) Board authorization to issue shares in private placements

1. *The Board of Directors of IDEX ASA ("the Company") is authorized to accomplish one or more share capital increases by subscription for new shares. The total amount by which the share capital may be increased is NOK 7,978,828.74 (representing 10 per cent of the registered share capital of the Company. Moreover, under no circumstances shall the sum of capital increases that may be accomplished by the Board collectively under this agenda item 6 exceed NOK 7,978,828.74. Any previous authorizations given to the Board to issue shares shall be, and hereby are, withdrawn with effect from the date this authorization is registered in the Register of Business Enterprises (not including, for the avoidance of doubt, the other authorizations contained in this agenda item 6 and in agenda item 7).*
2. *The instant authorization may be used in connection with private placements and share issues to suitable investors (may be existing and/or new shareholders, hereunder employees in the Company) in order to raise additional capital for the Company.*
3. *In the event the Company's share capital or nominal value per share is changed by way of a capitalization issue, stock split, stock consolidation etc., the maximum nominal value of the shares that may be issued under this authorization shall be adjusted accordingly.*
4. *Existing shareholders are waiving their preemptive right to subscribe for shares according to the PLCA in the event of a share capital increase as authorized herein.*

5. *The Board is authorized to decide upon the subscription terms, including issue price, date of payment and the right to sell shares to others.*
6. *Payment of share capital in connection with a share capital increase authorized herein may be made by way of non-cash contribution and other special subscription terms, as same are provided in Section 10-2 of the PLCA.*
7. *The General Meeting authorizes the Board to amend the Company's Articles of Association concerning the size of the share capital when the instant authorization is used.*
8. *The authorization shall be valid until the 2017 Annual General Meeting, but not later than 30 June 2017.*
9. *The new shares, which may be subscribed for according to this authorization, shall have right to dividends declared subsequent to the subscriber having paid the subscription price and the associated share capital increase having been registered in the Register of Business Enterprises. In other respects, the shares shall have shareholder rights from the time of issuance, unless the Board otherwise determines.*
10. *Shares that are not fully paid cannot be transferred or sold.*

(b) Board authorization to issue shares in rights issues

1. *The Board of Directors of IDEX ASA ("the Company") is authorized to accomplish one or more share capital increases by subscription for new shares. The total amount by which the share capital may be increased is NOK 7, 978,828.74 (representing 10 per cent of the registered share capital of the Company. Moreover, under no circumstances shall the sum of capital increases that may be accomplished by the Board collectively under this agenda item 6 exceed NOK 7, 978,828.74. Any previous authorizations given to the Board to issue shares shall be, and hereby are, withdrawn with effect from the date this authorization is registered in the Register of Business Enterprises (not including, for the avoidance of doubt, the other authorizations contained in this agenda item 6 and in agenda item 7).*
2. *The instant authorization may be used in connection with rights issue to existing shareholders of the Company in order to raise additional capital for the Company.*
3. *In the event the Company's share capital or nominal value per share is changed by way of a capitalization issue, stock split, stock consolidation etc., the maximum nominal value of the shares that may be issued under this authorization shall be adjusted accordingly.*
4. *The Board is authorized to decide upon the subscription terms, including issue price, date of payment and the right to sell shares to others.*
5. *Payment of share capital in connection with a share capital increase authorized herein may be made by way of non-cash contribution and other special subscription terms, as same are provided in Section 10-2 of the PLCA.*
6. *The General Meeting authorizes the Board to amend the Company's Articles of Association concerning the size of the share capital when the instant authorization is used.*
7. *The authorization shall be valid until the 2017 Annual General Meeting, but not later than 30 June 2017.*
8. *The new shares, which may be subscribed for according to this authorization, shall have right to dividends declared subsequent to the subscriber having paid the subscription price and the associated share capital increase having been registered in the Register of Business Enterprises. In other respects, the shares shall have shareholder rights from the time of issuance, unless the Board otherwise determines.*
9. *Shares that are not fully paid cannot be transferred or sold.*

7. Authorization to the Board to issue new shares to cooperation partners

In addition to the general authorization to issue new shares in private placements in agenda item 6 (a) above, the Board wishes to propose that the Annual General Meeting resolves a special authorization that gives the Board the opportunity to issue and make use of shares in the Company as a means of payment and/or incentive to cooperation partners who carry out services, development or other project tasks for, or together with, the Company.

The Board proposes that the Annual General Meeting grants an authorization for this purpose for a two-year period.

The Board proposes that the board authorization be maximized to 3 per cent of the Company's registered share capital at the time of this authorization.

By reason of the above, the Board proposes the adoption of the following separate authorizations to the Board to issue shares:

Board authorization to issue shares in private placements to cooperation partners

1. *The Board of Directors of IDEX ASA ("the Company") is authorized to accomplish one or more share capital increases by subscription for new shares. The total amount by which the share capital may be increased is NOK 2 393 648.55 (representing 3 per cent of the registered share capital of the Company).*
2. *The instant authorization may be used in connection with private placements and share issues to cooperation partners as a means of payment and/or incentive in connection with services, development or other project tasks for, or together with, the Company.*
3. *In the event the Company's share capital or nominal value per share is changed by way of a capitalization issue, stock split, stock consolidation etc., the maximum nominal value of the shares that may be issued under this authorization shall be adjusted accordingly.*

10. *Shares that are not fully paid cannot be transferred or sold.*

8. Resolution of the remuneration of the Board members

The nomination committee proposes the following resolution to be passed by the Annual General Meeting:

The annual board remuneration is NOK 300,000 per board member for the period from the date of the 2015 Annual General Meeting until the date of the 2016 Annual General Meeting. The chairman of the board receives an additional amount of NOK 25,000.

In addition, the Company will refund relevant expenses that the members of the board may have incurred in connection with the exercise of board functions.

As the Company sees benefits in restraining the outflow of liquidity and the Board members have indicated that they may be interested in receiving shares in the Company, it is proposed that the Board members, as an alternative to a cash payment, can elect to receive all or part of the remuneration in the form of shares in the Company. The number of shares to which the board members would be entitled is proposed to be calculated as follows: The board member shall be entitled to subscribe for a value of shares (based on the average closing price of the Company's shares over the ten trading days prior to the Annual General Meeting in 2016) of 133 per cent of the NOK amount granted as board remuneration; provided, however, that the Board member must pay a subscription price per share equal to the par value of the share, being NOK 0.15 per share.

The Board proposes the following resolution by the Annual General Meeting:

The Board members may elect to receive all or part of the board remuneration in the form of shares in the Company.

The number of shares to which the Board members would be entitled shall be calculated as follows: The Board member shall be entitled to subscribe for shares having a total market value (based on the average closing price of the Company's shares over the ten trading days prior to the Annual General Meeting in 2016) of 133 per cent of the NOK amount granted as board remuneration; provided, however, that the Board member must pay a subscription price per share equal to the par value of the share, being NOK 0.15.

To the extent a Board member wishes to receive board remuneration in the form of shares, the Board member must notify the Company and subscribe for the shares within the start of trading on Oslo Børs on the trading day immediately subsequent to the date of the 2016 Annual General Meeting, and also pledge to not sell the shares before the earlier of the Annual General Meeting of the Company in 2017 or 30 June 2017. Payment of the subscription price shall be made no later than 31 May 2016.

In order to facilitate the foregoing, the Board is authorized to accomplish one or more share capital increases with a maximum of NOK 200,000 for the purpose of issuing shares to those Board members who elect to receive shares as opposed to cash on the aforesaid terms, and to amend the Company's Articles of Association accordingly. Existing shareholders are waiving their preemptive right to subscribe for shares according to the PLCA in event of a share capital extension as authorized herein. The new shares, which may be subscribed for according to this resolution, shall have right to dividends declared subsequent to the subscriber having paid the subscription price and the associated share capital increase having been registered in the Register of Business Enterprises. This Board authorization expires on 31 May 2016.

STATEMENT ON REMUNERATION TO SENIOR MANAGERS 2016

This statement to the annual general meeting in IDEX ASA (“the Company”) on 11 May 2016 has been prepared by the board of directors of IDEX ASA in accordance with Section 6-16a of the Norwegian Public Limited Liability Companies Act. The statement contains guidelines and main principles for the company’s remuneration of senior managers in 2017. The statement also outlines the implementation and effects of the policies in effect in 2015.

1. Advisory guidelines for remuneration of senior managers in 2017

Note: The guidelines in this section set out the principles for executive remuneration at large. These guidelines are subject to a separate vote at the annual general meeting, which result is advisory (non-binding) to the board of directors.

In order to attract and retain the leadership competence that IDEX needs, the remuneration of senior managers, and all other employees, shall be competitive and comprise a basic salary including standard benefits, which salary may be supplemented by performance-based cash bonus and incentive subscription rights. Cash bonus plans are limited to fixed amounts or fixed percentage of base pay. All parts of the remuneration – fixed as well as variable – shall reflect the responsibility and performance over time of the respective manager. Bonus payments are contingent on efforts and contribution to achievement of business and/or operational objectives.

The basic salary is evaluated annually. Effective 2016, the Company’s bonus plan cycle is from 1 January to 31 December, with a possible mid-term evaluation as at 30 June and payout in the third quarter.

Managers do not receive any additional compensation for serving as board members of subsidiaries in the group. For the avoidance of doubt, travel and other out-of-pocket expenses in connection with such duty is refunded per normal expense refund practices. The managing director of the Company is also CEO for the group, and performs this duty as a part of his employment in the Company for no additional remuneration.

The board determines the salary and other remuneration to the CEO. The CEO determines the salary and other remuneration of all other employees, within the framework set by the board.

There is no post-employment remuneration beyond conventional notice periods of 3-6 months, or shorter when applicable.

2. Binding guidelines for share-based remuneration to senior managers in 2017

Note: The guidelines in this section set out the principles for share-based executive remuneration. These guidelines are subject to a separate vote at the annual general meeting, which result is binding for the board of directors.

The Company’s subscription rights plan(s) as resolved by the general meeting is the same for senior managers as for all employees. Grants are scaled based on position, results and competitive considerations. The purpose of such plans is to strengthen the Company by providing to employees, management and individual contractors additional performance incentive.

According to the programme rules, as resolved separately by the annual general meeting, the exercise price shall be minimum the higher of the average closing price of the IDEX share on ten trading days preceding the date of the grant, or the closing price of the IDEX share on the trading day preceding the date of the grant. Unless resolved otherwise by the board, 25 per cent of each grant of subscription rights vest each 12 months after the date of the grant. The subscription rights lapse on the fifth anniversary after the annual general meeting that resolved the programme.

3. Implementation and effect of the policies on remuneration to senior managers in 2015

The bonus plan works to motivate senior managers to achieve the Company’s operational and business objectives in the annual planning cycle. The share-based incentive plan with vesting over several years, works to align the interests of senior managers with shareholders’ interests also in the long term.

Salary, pension and any paid bonuses including pertinent employer's tax is expensed simultaneously with the paid or earned remuneration. The compensation of each senior manager in 2015 is reported in note 3 to the annual financial statements for 2015.

The equity effect of the share-based remuneration is nil because the contra item is a notional equity injection of equal amount. The employer's tax on the earned intrinsic value of the subscription rights on the balance sheet date, is charged to profit and loss as a cost. The value varies with the share price and may entail a net reversal of cost. On exercise, the actual employer's tax is expensed and the accrual reversed. The actual cost of the employer's tax is normally funded by the equity paid in on exercise.

For the shareholders an actual or possible exercise will represent a dilution. At the end of 2015, the number of outstanding subscription rights to management including their close associates amounted to 10,100,000, corresponding to 1.9 per cent of the share capital.

London 20 April 2016
The Board of Directors of IDEX ASA

THE NOMINATION COMMITTEE'S PROPOSAL TO THE ANNUAL GENERAL MEETING IN IDEX ASA ON 11 MAY 2016

The work of the Nomination Committee

The Nomination Committee was elected at the annual general meeting ("AGM") 12 May 2015 and has been comprised of Chairman Mr. Harald Voigt and members Mr. Robert Keith and Mr. Rune Sundvall.

In addition to communicating with each others, the Nomination Committee has been in contact with the Company's management, the Chairman of the Board, Board members and some of the largest shareholders in the Company.

Information obtained from these contacts has formed the basis for a specification of the desired profile of the Board members.

There has been a broad consensus that the Company needs Board members with international experience and contact points with the major international players within the areas where biometric identification will be utilized.

In general, the Nomination Committee has the opinion that the Board is well functioning, as is its cooperation with the management.

Election of Board members

Mr. Andrew James MacLeod is the only Board member who stands for election. The remaining four Board members; Mr. Morten Opstad (chairman), Ms. Deborah Lee Davis, Ms. Hanne Høvding and Mr. Lawrence John Ciaccia were elected for a two-year term at the 2015 Annual General Meeting and do not stand for election at this time.

The Nomination Committee emphasizes that the composition of Board members should be subject to evaluation each year, regardless of the election periods.

The Board's current members are presented in the 2015 annual report.

The Nomination Committee proposes that the number of board members remains unchanged and that the following Board is elected:

Mr. Andrew James MacLeod is re-elected as Board member for a period of two years. Mr. Morten Opstad continues as chairman of the Board for the second year of his term. Ms. Deborah Lee Davis, Ms. Hanne Høvding and Mr. Lawrence John Ciaccia continue as Board members for the second year of their term.

Remuneration to the members of the Board

The AGM in May 2015 decided the remuneration for the members of the Board to NOK 225,000 per Board member, with an additional NOK 75,000 to the chairman and the international Board member, for the period from the 2014 AGM until the 2015 AGM.

The Nomination Committee proposes the following resolution to be passed by the AGM:

The board remuneration is NOK 300,000 per board member for the period from the date of the 2015 Annual General Meeting until the date of the 2016 Annual General Meeting. The chairman of the Board receives an additional amount of NOK 25,000.

In addition, the Company will refund relevant expenses that the members of the Board may have incurred in connection with the exercise of Board functions.

As Board members have indicated that they may be interested in receiving shares in the Company, the board proposes that the Board members, as an alternative to a cash payment, can elect to receive all or part of the remuneration in the form of shares in the Company. The number of shares to which the Board members would be entitled is proposed to be calculated as follows:

The Board member shall be entitled to subscribe for a value of shares (based on the average closing price of the Company's shares over the ten trading days prior to the 2016 Annual General Meeting) of 133 per cent of the NOK amount granted as board remuneration; provided, however, that the Board member must pay a subscription price per share equal to the par value of the share, being NOK 0.15 per share.

The full proposal is set forth in the Notice of AGM.

The Nomination Committee has no objection to the Board's proposal.

Composition of the Nomination Committee

The Nomination Committee has the opinion that the current committee has a reasonable size.

At the Annual General Meeting in 2015 Harald Voigt was re-elected as chairman for a period of two years. Mr. Rune Sundvall and Mr. Robert Keith were elected for a period of two years.

The Nomination Committee emphasizes that the composition of members should be subject of evaluation each year, regardless of the election periods.

The Nomination Committee proposes;

Mr. Harald Voigt continues as chairman of the Nomination Committee for the second year of his term. Mr. Rune Sundvall and Mr. Robert Keith continue as members of the Nomination Committee for the second year of their term.

Remuneration to the Nomination Committee

The Nomination Committee proposes that:

Remuneration to the nomination committee's members is NOK 25,000 for the Chairman of the committee and NOK 15,000 for each of the other members for the period from the 2015 Annual General Meeting to the 2016 Annual General Meeting.
